

PORTICO™ | NEW FOR 2020!

A MEMBER OF THE PREMIUM LINE SERIES

New for 2020, Softub® is proud to introduce the ultimate in comfort, therapy and design!

The Portico™ offers an extended seating design that gives you the option of sitting upright in our Therapy Station, while still allowing you to take full advantage of our popular barrier free soaking experience.

We've incorporated the Poseidon Jet (the most powerful 110v spa jet in the industry) along with the highest jet count ever offered in a Softub®.

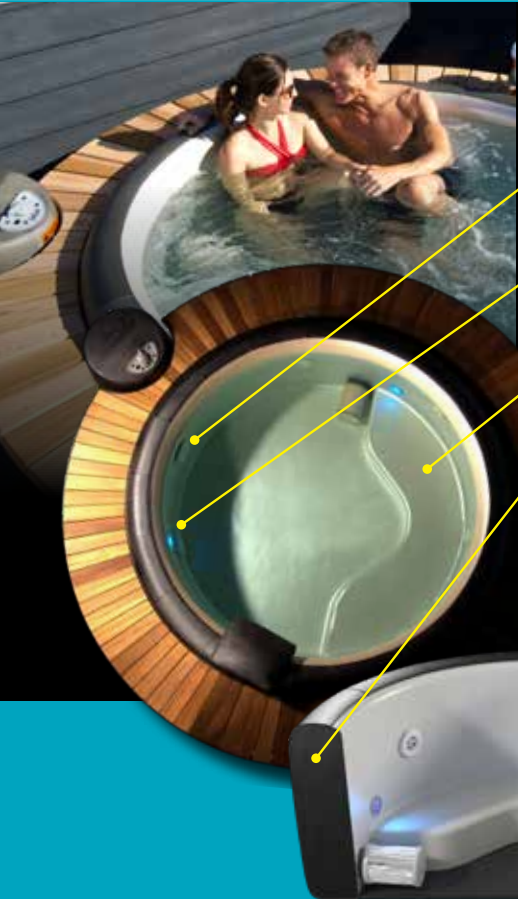

With over 30 years of design and engineering incorporated, the next evolution of Softub® is here and ushers in a new era of relaxation.

See what the Portico™ offers:

- Poseidon Jet with Trident Diverter
- Dual multi-colored LED underwater lighting
- Therapy Station bench with lumbar and spinal massaging support (the largest bench in the Softub® fleet!)
- Total of 8 customizable Hydrotherapy jets (the highest jet count in the Softub® fleet!)
- No tools needed
- Industry leading 5 year limited warranty
- Handcrafted in New Bedford, MA.
